July 2027

Dover's district calendar only runs through June. July falls outside the school year, so this month isn't part of the original document. It's added here, in the same format, because the back half of Phase 3 lands in it: Weeks 2–5 finish Thursday Jul 22 and the Retest Week follows (Jul 26–29).

Phase 3 – Early Summer (rest of it)

Week 2 finishes Thursday Jul 1; Week 3 runs Jul 5–8 (Jul 5 is the observed holiday and counts as a practice day); Week 4 runs Jul 12–15; Week 5 runs Jul 19–22. Every training week runs Monday–Thursday, with Wednesday as Day D, including Jul 14. The Retest Week follows, Jul 26–29 (Mon speed retest, Tue 300-yard shuttle, Wed upper-body lift, Thu makeups and buffer). Phase 3 closes Thursday, Jul 29, 2027.

Friday Jul 30 is held only as a last-resort day for a heat-cancelled retest, so it isn't shaded. The three days Jul 30–Aug 1 sit between the end of Phase 3 and the estimated blackout-week start (~Aug 2, 2027), which isn't confirmed and isn't shown.

Grayed-out numbers at the start of the grid are late-June dates shown for grid continuity – they're already covered on the June block on the first page.

Lifting Program - Phase Key & Notes

Phase 0 - Transition / Active Recovery (dashed)

Begins the Monday after the roster's actual final game and runs through the Sunday before Phase 1's Testing Week. The dashed outline marks that whole date window, not individual training days. The first one to two weeks are true active recovery, nothing programmed (through Nov 8 either way). After that come the Pre-Testing Prep Sessions: nine coach-facilitated, attendance-optional sessions, Tue/Thu, on Nov 10, 12, 17, 19, 24 and Dec 1, 3, 8, 10, 2026 (Thanksgiving Break cuts Nov 26). Shown here as Oct 26-Dec 13, 2026, using Oct 23 as the season's last game (two recovery weeks); it starts Nov 2 (one recovery week) if the Oct 30 consolation game is played. The Prep dates do not move.

Phase 1 - Winter Program

Testing Week Dec 14-18, 2026. Weeks 2-9 run Jan 4-Feb 26, 2027 (Winter Break skipped).

Phase 2 - Spring Program

Testing Week Mar 1-5, 2027. Weeks 2-11 run Mar 8-May 21, 2027 (Spring Break skipped).

Phase 2-3 Bridge (optional)

The 2-day Multi-Sport Maintenance Track continues after Phase 2 closes, Tue/Fri: five confirmed sessions on Tue May 25, Fri Jun 4, Tue Jun 8, Fri Jun 11 and Tue Jun 15, 2027 (dashed outline). Fri May 28 and Tue Jun 1 are contingent emergency-day dates that run only if the district opens them as school days (dotted outline). No session is programmed Jun 16-20 before Test Week.

Phase 3 - Early Summer

Test Week Jun 21-24, 2027 (Mon speed test, Tue 300-yard shuttle, Wed first Day D, Thu makeups and first-timer shuttle). Weeks 2-5 run Jun 28-Jul 22, 2027. Retest Week Jul 26-29, 2027 (Mon speed retest, Tue shuttle retest, Wed upper-body lift, Thu makeups and buffer). Six weeks in all, shown across the June block on the first page and the July page.

Phase 1/2 testing & retest weeks show Mon/Tue/Thu/Fri: Monday squat (in Phase 2, the Vertical Jump test or retest comes first, before the squat), Tuesday bench and pull-up, Thursday deadlift, Friday overhead press and make-ups; Wednesday is a non-testing day, so it is not shaded. Phase 3's Test Week and Retest Week are shaded Mon-Thu, which is the phase's own schedule (the Thursday of each is the makeup and buffer day, and Jun 24 also carries the first-time athletes' shuttle).

What isn't shown, and why

Phase 4 - In-Season:

The program document itself flags that Dover's actual 2027 schedule isn't published yet - it only uses the 2026 season as a rough structural placeholder (about 8 games, early September through late October). I didn't invent specific game days to shade on a wall calendar; once the 2027 schedule is out, this is a quick update.

The estimated NJSIAA blackout-week start (~Aug 2, 2027):

The Phase 3 document treats this as an estimate, not a confirmed date, and the three-day buffer after Phase 3 ends (Fri Jul 30 - Sun Aug 1) depends on it. Not shaded here for the same reason Phase 4 isn't -- it isn't a locked date.

Changed Oct 28, 2026

The old two-day Testing Window (Jun 21-22) is now a four-day Test Week (Jun 21-24), and the old Week 4 retest and the two-week Pre-Camp Taper (Phase 4) are gone. Weeks 2-5 now run Jun 28-Jul 22 with every Wednesday a Day D, and a one-week Retest Week (Jul 26-29) closes Phase 3. In-Season, previously Phase 5, is now Phase 4.

Fixed in the source documents

Monday, Feb 8, 2027 is a Staff In-Service day - no school for students - but Phase 1's Week 7 (Feb 8-12) didn't note it anywhere, unlike the Jan 18 (MLK) and Feb 15 (Presidents') closures it does account for. Fixed in Phase 1 - Winter Program and the Research Report's Revision Log: Week 7's Day A (Back Squat) now moves to Wednesday, Feb 10, that week only, so the squad still gets all 4 sessions. It's shown unhighlighted on the calendar since Monday itself has no school.
